## SUMMARY

Dedicated and passionate B.Tech CSE student at Manav Rachna University with strong foundational skills in programming and modern web development. Proficient in JavaScript and front-end frameworks, with a keen interest in building intuitive user interfaces and solving challenging problems. Seeking opportunities to contribute to innovative software development projects.

---

## PROJECTS

### Music Player App UI/UX

August 2023 - Present

- Designed and developed a fully responsive and visually appealing music player interface inspired by modern streaming apps.
- Implemented features such as song list display, playback controls, and Toggle mode to enhance user experience.
- Technologies:** JavaScript, HTML5, CSS3, Tailwind CSS.

### Personal Portfolio Website

August 2023 - Present

- Built a personal portfolio to showcase skills, projects, and experiences in an interactive and modern design.
- Emphasized responsive design and smooth animations to provide a professional online presence and a real time email submission form.
- Technologies:** React.js, Tailwind CSS, HTML5, EmailJs

### Study Way App UI/UX

- Developed an educational platform UI focusing on enhancing study efficiency with organized course sections and interactive components.
- Prioritized accessibility and clean design to appeal to students and educators.
- Technologies:** Javascript, HTML5, CSS3.

---

## EXPERIENCE & LEADERSHIP

- Team Leader, College-level Project
- Led a team of 4 to propose and design a "Yoga Posture Detection Application" aimed at promoting health and wellness through technology.
- Built small-scale projects implementing Object-Oriented Programming (OOPs) concepts at the college level.
- Practiced and solved Data Structure and Algorithm problems on CodeChef and LeetCode to improve problem-solving skills.

---

## TECHNICAL SKILLS

- Languages & Frameworks: JavaScript, React.js, Tailwind CSS, CSS3, HTML5
- Other Skills: Data Structures & Algorithms, Problem Solving, UI/UX Design

---

## EDUCATION

Manav Rachna University

August 2023 - July 2027

Bachelor of Technology, Computer Science Engineering
